Re: Permit Review Status, Ash Grove Cement Company, Leamington Mine, M/023/004, Juab County, Utah

Dear Mr. Crutchfield:

On June 29, 2000, the Division received Ash Grove Cement Company's revision to the Leamington Mine large mining plan. Thank you for meeting with us on July 27th to discuss this proposal. Due to a backlog of other permit reviews, we have not been able to complete a review of your revised plan within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review within the next 30-45 days. We appreciate your patience and understanding in this regard. If you have questions or concerns with the proposed review schedule, please contact me at (801) 538-5291 or Tom Munson at (801) 538-5321.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".
